TINY NOTICEABLE TOUCHES™

Unparalleled luxury found in every detail

Welcome Aboard

The moment you step aboard one of our *Floating Boutique Hotels*, you enter a world of unparalleled luxury, infused with the warmth of our service-driven crew and an immersive atmosphere that brings to life your travel destinations.

Ever since Uniworld was first founded in 1976, it has been our joy to bring travelers on one-of-a-kind journeys in our favorite places around the world. Now, our world is wider than ever, with trips spanning **Europe, Southeast Asia, Egypt, India, and South America.**

Find your inspiration in the pages of this brochure, where you'll find classic river cruising experiences on the **Rhine** and **Danube**, as well as indulgent voyages in **France, Portugal, and Italy.** For those looking to explore off-the-beaten-path, **Extraordinary Destinations** such as the **Mekong Delta** and the **Peruvian Amazon** offer the luxury adventure of a lifetime.

We're excited to introduce several new itineraries and extensions, including a spectacular new cruise through the **Wine Roads of France & Portugal**; an Italian itinerary connecting **Milan, Venice & Rome**; a new **Holiday** offering in Belgium; a 15-day grand discovery of **Central Europe**; and a new **Cruise & Rail** route connecting **Paris & Istanbul**, two of the most storied destinations on the continent. Uniworld guests can now extend their journeys in more destinations on land, such as **Biarritz Basque Country, Madeira Island, and Mediterranean Cassis.**

Keep an eye out for two new members of our Super Ship™ fleet in Europe. The **S.S. Elisabeth**, sister ship to the S.S. *Victoria*, will set sail in 2025. Then, in 2026, the **S.S. Emilie** will debut with a chic design inspired by the works of Gustav Klimt.

Wherever you plan to explore next, do it in the extraordinary style of Uniworld. After all, ***you deserve the best.***

Ever since we first set out to take travelers on one-of-a-kind trips in 1976, Uniworld has been all about the guest-driven approach. We listen, we research, and we innovate—not only to discover what our guests are telling us they want and need, but to also anticipate what they are missing out on. That’s how you get to the heart of what a great vacation really is.

As the first American company to cruise the rivers of Europe, we’ve had the time to learn along the way and reinvent the format entirely. Uniworld lengthened cruise itineraries to one, two, even three week stretches, and introduced all-inclusive pricing. We handpicked destinations our guests would be looking for, then snuck in a few hidden gems we just knew they’d come to love. Perhaps most importantly, our ships offered the boutique hotel experience early river cruisers desired: designs with character, hotel-style beds, and delicious onboard dining. And by making their favorite boutique hotels float, now our guests could travel in all-inclusive luxury to multiple destinations, without having to unpack between each stop.

But we didn’t stop there. Every year, we pay close attention to the world of travel and the feedback of our guests to create better and better travel experiences. When we joined The Travel Corporation’s collection of award-winning travel brands in 2004, our mission became elevating river cruising to new heights. We launched the **Super Ship** fleet, began cruising in more extraordinary destinations, and introduced innovative new concepts as **Cruise & Rail** journeys, **Nights Out**, and **MAKE TRAVEL MATTER® Experiences**. Year after year, we set new standards and expectations for what luxury river cruising could be and are looking forward to continuing these pursuits for the next 50 years.

“The service was superb! All of the staff were always smiling, very courteous and made us feel very special. We actually felt like royalty in how they treated us. Thank you for making our trip so enjoyable!”

– Gwynne, ENCHANTING DANUBE

WELCOME TO LUXURY RIVER CRUISING

This is cruising at its absolute best

Sailing by river means enjoying all the conveniences of a traditional cruise, along with all the benefits of land travel. Stopping in multiple destinations on every trip, you'll visit bustling cities and hidden gem villages, unpacking only once. River cruising is the best way to cruise, and the best and most luxurious river cruises are with Uniworld.

S.S. Beatrice sailing

ONE-OF-A-KIND BOUTIQUE SHIPS

One of the highlights of your river cruise will be the ship you sail on. Each of our one-of-a-kind ships is like a floating boutique hotel; designed to immerse you in the destination with luxurious amenities, beautiful public spaces, and elegant dining venues.

ALL-INCLUSIVE AMENITIES

Everything you could ever need is included with Uniworld. From your meals to premium drinks, plus your daily shore excursions. We've even included the onboard gratuities. All you have to do is sit back, relax and enjoy the Uniworld experience.

INTIMATE & RELAXING EXPERIENCE

Compared to ocean cruising, a river cruise ship is smaller and offers guests a far more intimate experience. With just an average of 120 guests onboard, you can get to know your fellow travelers and receive better access to the incredible staff onboard.

UNMATCHED CONVENIENCE

River cruising allows you to travel directly through the heart of countries, giving you access to some of the world's greatest cities right outside your window. You'll travel to multiple destinations with ease, only unpacking once.

IMMERSIVE TRAVEL EXPERIENCES

We've selected culturally immersive experiences on every journey. These range from a private after-hours visit to St. Mark's Basilica to receiving a breathtaking water blessing from a Cambodian monk.

CONNECT & STAY CONNECTED

Unencumbered by large crowds, you'll effortlessly meet people who share your passion for travel and exploration, and stay connected with loved ones back home with complimentary shipwide Wi-Fi.

ONE-OF-A-KIND SHIPS

inspired by their destinations

The ships in our fleet are passion projects, through and through. Every unique design scheme is assembled to be a masterpiece in and of itself. To step onboard a Uniworld ship is to step into a world where your destinations come to life through every carefully considered detail. We don't believe in filling the rivers with a large fleet of identical ships. We believe in quality over quantity.

OUR DESIGN ETHOS

Each ship has a distinctive theme, with its own color palette, custom-made fabrics, personally selected artwork, sumptuous furnishings and antiques. Every element, down to the smallest detail, has been thoughtfully considered and flawlessly rendered.

OUR SUPER SHIP FLEET

The members of our **Super Ship™** fleet completely transform the standards of river cruising. These vessels add a layer of luxury through multiple dining venues, more suites, and **Tiny Noticeable Touches™** throughout.

THE FINEST AMENITIES

Our lavishly appointed staterooms feature handcrafted Savoir® Beds of England, high thread count 100% Egyptian cotton sheets and European duvets, a menu of pillow options, and Asprey bath and body products.

THE SUITE LIFE

Like our ships, all of our suites have been uniquely designed. Each suite has a distinct personality, boasting additional space, custom upholstery, complimentary mini bars, special in-room treats, and the services of a personal butler.

THE MOST ALL-INCLUSIVE AMENITIES

Don't settle for anything less

There's all-inclusive, and then there's the unmatched level of inclusive luxurious amenities that only we provide. To ensure truly carefree and effortless travel, we've gone ahead and included it all—so the only thing you have to do is sit back, relax, and enjoy the Uniworld difference.

For those interested in healthier dining options, our *Traveling Lite* menu features all the flavor of our traditional menu, but with fewer calories. We also offer a variety of vegetarian, vegan, and gluten-free options, prepared just for you. If you have a specific meal preference or desire, just ask.
